Dear Parents

I would like to inform you that we are in the process of negotiating with the Municipality to rent the grounds outside the hockey field which we currently use for parking. Please be patient with us and the setup at this stage, once everything is approved, there will be a definitive change that will facilitate for everyone.

Geagte ouers

Ek wil u graag in kennis stel dat ons in die proses is om met die munusipaliteit te onderhandel om die gronde buite die hokkieveld wat ons tans vir parkering gebruik te kan huur.

Wees asseblief geduldig met ons en die opset op hierdie stadium, sodra alles goedgekeur word, sal daar 'n definitiewe verandering plaasvind om dit vir almal te vergemaklik.
