Fondsinsameling vir Polar Fleece kombersies!

Goeiedag aan al ons wonderlike Vaalpark-ouers en ondersteuners!

Met die winter voor die deur wil ons graag 'n aangename aankondiging betreffende 'n fondsinsamelingprojek, wat ons skool vanjaar aanpak, maak. Ons is vasbeslote om nie net die koue winterdae te trotseer nie, maar ook om eenvormigheid en 'n gevoel van samewerking onder ons leerders te bevorder.

Ons bied die geleentheid aan ouers om 'n Vaalpark Polar Fleece kombersie (100cm x 75cm) @ R100 te bestel vir hul kinders. Hierdie kombersies sal die Vaalpark-logo dra en is beskikbaar in die skool se kenmerkende blou en groen kleure. Die kombersies is ontwerp om ons leerders warm te hou op die koudste dae, terwyl hulle trots hul skool verteenwoordig.

As 'n ekstra opsie, bied ons ouers ook die geleentheid om hul kind se naam en van op die kombersie te laat borduur, teen 'n addisionele R20 fooi.

Bestellings en betalings sal via die Karri App vir ouer gemak hanteer word. Kombersies behoort teen middel Mei 2024, uitgedeel te word. Dit is belangrik om daarop te let, dat vanaf volgende jaar, slegs hierdie spesifieke kombersies by die skool toegelaat sal word.

Laat ons saamwerk om ons skoolgemeenskap te versterk en ons leerders te ondersteun, deur van hierdie fondsinsamelingprojek 'n sukses te maak!

Dankie vir jul ondersteuning!

Warm Valiegroete,

Fundraiser for Polar Fleece Blankets!

Dear Valued Parents and Supporters,

As we prepare for the chilly days ahead, we're excited to announce a special fundraiser, aimed at enhancing both comfort and uniformity within our school community. We understand the challenges posed by the cold weather and we're committed to addressing them while promoting a sense of unity among our students.

We're offering parents the opportunity to order Vaalpark Polar Fleece blankets (100cm x 75cm) @ R100 for their children. These blankets will feature our school's distinctive blue and green colors and proudly display the Vaalpark logo. Our aim is to provide a warm and uniform option for our students, replacing the varied and colorful blankets that are currently being brought to school.

As an added option, parents can choose to have their child's name and surname embroidered on the blanket for a small additional fee of R20.

Orders and payments will be handled conveniently through the Karri App. Blankets are expected to be distributed by mid-May 2024. Please note that starting from next year, only these designated blankets will be permitted at school.

Let's come together to support our school community and ensure our students are equipped for the colder weather ahead!

Thank you for your support!

Warm regards,
