Here is important information regarding the day:

Tree planting areas by grade:

- Grade 2: Bedding in front of Teacher Tanya, Koba, and Chrizel's class
- Grade 3: Bedding at the covered areas
- Grade 4: Bedding in front of Teacher Ane's class
- Grade 5: Bedding in front of the men's and woman's restrooms
- Grade 6: Bedding at the small gate behind Mr. Venter's class

We look forward to participating in this valuable day with you and your child and to beautify the school grounds.
