

I would like to take this opportunity to welcome all our current and new “Valie” parents. The year has started with a “bang”. My name is Charmaine Kriek, the Marketer of the school. I want to explain my post description and which projects have been identified.

- I am responsible for the general marketing of the school.
- I am the liaison person between the PTA and the school. The Parent’s Associations yearly “Night Race” will be held on 3 May 2019. Every parent, teacher and learner is involved in this event. Please diarize this date.
- I also liase between Prefect Parents fund-raising and the school.
- To place an advertisement board on the schools’ palisades and in the newsletter, you can contact me, should you be interested.

The continuous fundraising projects such as the refuse bags, My School Cards and Makro Card are part of my portfolio. The funds generated from these projects are used for marketing projects/activities. The school gets approximately R30 000 annually from our Makro rebate and R12000 annually from the” My School” project. Visit our website at “Our School Marketing” for the relevant forms should you wish to be part of these. We sell refuse bags with the school logo on them, @ R50 per packet of 20 (750 x 1200 x 40 micron) .

- Vaalpark Primary takes part in the Eco-Schools project. Last year we participated for our international “Eco Green Flag”. We have already been part of this project for 5 years. Please support our Green-project this year.
- We are continuing with our” Value-Driven-School. These are our Values and making children aware them. Our aim is to instil them into our learners yearly and make them part of our school’s culture. During 2018 Vaalpark Primary introduced the “Friday Shirt”. This Friday-dress code is compulsory on Fridays as from April 2019
- Together with Christelle Phytides , he have started a project called “Children’s 1st”. The aim is firstly to provide basic necessities to our school’s children. Many of you have already opened your hearts and purses for this situation. Thank you so much.

Should you wish to contact me about any of the above, please do so. Visit our facebook. This is a marketing means and we are very proud of it.
