Buy 75% v/v alcohol-based sanitiser and surface disinfectant (registration pending) direct from the manufacturer.

We have adapted part of our manufacturing facility for the large-scale manufacture of sanitiser. Our easy to use liquid sanitiser is manufactured in our ISO 9001 accredited facility, with stringent quality standards, according to the World Health Organisation guidelines. Our product is already used on large scale by many institutions and essential services across the country.

Pricing from R40/litre, ex-works excluding VAT (1000 litre IBC). Contact us for smaller pack pricing.

Available packaging sizes are 1000 litre IBC's, 200 litre drums, 20 litre and 5 litre containers.

For sales as well as enquiries about our reseller options as well as high volume pricing:
