Makro

Each parent simply needs to download the Makro mCard app on their mobile phones, and then, in an instant, sign up to the **m=Educ8** programme. Once they sign up, parents are ready to earn rewards for their school, while also earning all their usual mRewards.

For every R1000 spent by the parents, the educational institution will earn R5 (earnings applicable from R1).

E.g.in a school with say, 1 500 pupils, and a parent spends R1 000 per month (assuming only one of the parents spends, per family), the school can earn a very healthy R90 000 per annum.

Ts and Cs apply.

Please support these programmes. This can make our fund-raising projects so much easier.

Makro

Elke ouer moet eenvoudig die Makro mCard-app op hul selfone aflaai en dan onmiddellik aanmeld by die m = Educ8-program. Nadat hulle ingeskryf het, is ouers gereed om belonings vir hul skool te verdien, terwyl hulle ook al hul gewone belonings verdien.

Vir elke R1000 wat deur die ouers bestee word, verdien die onderwysinstelling R5 (verdiensgeld vanaf R1).

Dit beteken dat in 'n skool, met byvoorbeeld 1 500 leerlinge en 'n besteding van R1 000 per ouer per maand, (as slegs een van die ouers per gesin spandeer) die skool 'n baie gesonde R90 000 per jaar kan verdien.

Ts en C's geld.

Ondersteun asseblief hierdie programme. Dit kan die fondsinsamelingsprojekte soveel makliker maak.
