

Geagte Graad 5 – ouers

Die graad 5 - inspuittings sal op Donderdag, 4 Maart 2021, in die skoolsaal plaasvind.

Die **Departement van Gesondheid** kom Donderdag en die **groen groep** is dan by die skool. **Groen groep**, kom soos altyd, normaal skooltoe toe en verdaag om 14:15.

Blou groep se leerders wat **TOESTEMMING** gegee het om die inspuiting te ontvang, moet Donderdagoggend vining om 08:00 skooltoe kom. Sodra leerders klaar is, moet hul huietoe verdaag. Sodra **blou groep** se leerders klaar gespuit is, sal onderwysers op die groepies laat weet dat u kind gehaal kan word. Jammer vir die ongerief, maar dit is die enigste dag wat die departement die leerders kan kom spuit.

Dankie

Dear Grade 5 parents

The Grade 5 injections take place on Thursday, the 4th of March 2021, in the school hall. The Department of Health will only come on Thursday and only the **green group** is at school on that day.

Blue group learners that have given **CONSENT**, to receive the injection, **MUST** also come to school on Thursday at 08:00, and **MUST go home when done**. Register teachers will let you know when the **blue group's** learners are done. Sorry for the inconvenience, but this is the only day the department will come.

Thank you
