

Goeiedag Ouers

Soos u weet, is daar jaarliks fondsinsamelings-projekte wat deur die Ouervereniging, prefekte-ouers en skoolbemarking geloods word. Die verwagte bedrag beloop jaarliks R450 000, wat verseker dat skoolfonds so laag as moontlik gehou word, om u, as ouer, finansieël te baat.

Vir die termyn 2021, is die mikpunt om slegs drie, groot projekte en twee kleiner projekte te hou, naamlik:

- Vakansie by San Lameer in Oktober- skoolvakansie. (Tydperk waarin dit verkoop word strek vanaf 3 Mei – 9 Julie)
- Gholfdag (3 September)
- Uitloting van 'n motor. (Tydperk waarin dit verkoop word strek vanaf 26 Julie – 15 November)
- *Jaggeleentheid vir manne*
- *Waardesuigstokkies. Sewe keer deur die jaar.*

Indien u, as ouer, u ondersteuning, sou wou aanbied, deur die verloop van die jaar, sou dit u ± 'n beraamde R45,00 per maand, per kind, kos. Dit sal die lotingskaartjies ens. kwartaalliks dek. Indien u eerder sou verkies om maandeliks R45,00 in te betaal i.p.v. die koop en verkoop van kaartjies ens., is u meer as welkom. Ons benodig régtig elke ouer se betrokkenheid m.b.t. fondsinsameling, om ons begroting te laat klop en 'n sukses daarvan te kan maak.

Good Day Parents

As you know, the Parent's Association, Prefect Parents and the school marketing has annual fund-raising projects which they are responsible for. The expected amount that should be raised annually is R450 000 altogether. This is to ensure Parents reap the benefits, financially, of these projects.

For the term 2021, the goal is to focus mainly on 3 large projects and 2 smaller ones.

- Holiday at San Lameer, during October holidays. (3 May - 9 July – sales period)
- Golf Day (3 September)
- Ruffling a car. (26 July – 15 November)
- *Hunting opportunity for men*
- *Value lollie project. 7 times a year.*

In order for you as a parent, to offer your support, and involvement throughout the year, in each project, it will merely cost you a meagre amount of R45 per month, per child. This would cover the costs of tickets for raffles etc, as we launch each termly project. If it suits you not to buy/sell tickets each time, you are more than welcome to offer your R45 in cash, per month. We really need the involvement of all parents for each project to succeed and for us to reach our budget.
